

Essex Regional Retirement System
Job Title: Retirement Counselor

Summary: The Essex Regional Retirement Board is seeking to fill the position of Retirement Counselor. This position is one of two Retirement Counselors employed by the retirement board and serves as the primary contact in providing end-to-end retirement services to members or their beneficiaries. This position will be responsible for calculating and processing all manner of retirements such as superannuation, accidental and ordinary disability retirements. A complete job description is available on the retirement system's website at www.essexregional.com. This is a salaried/exempt position with a starting annual salary of \$68,000. Interested candidates should email a cover letter and resume to Charles E. Kostro, Executive Director, Essex Regional Retirement System, at ckostro@essexrrs.org. This position will remain open until filled but interviews for this position will begin on or about May 29, 2018.
